

IMPORTANT! Changes to the Federal Student Lending Process

The recently enacted Health Care and Education Affordability Reconciliation Act of 2010 (HR 4872), eliminates the Federal Family Educational Loan (FFEL) Program effective July 1, 2010. Private lenders, such as Mississippi Telco FCU, no longer have a role in originating or funding federal Stafford, PLUS, or Consolidation loans.

Federal Direct Student Loans

Effective June 22, 2010, Mississippi Telco FCU is no longer accepting new applications for student loans through the Federal Family Educational Loan Program. All *new* federal student loans will be issued via the William D. Ford Direct Loan Program. The lender for your federal loans will be the U.S. Department of Education rather than your credit union or other financial institutions.

Stafford and PLUS Loans: Visit the [Department of Education website](http://www2.ed.gov/offices/OSFAP/DirectLoan/student.html) (<http://www2.ed.gov/offices/OSFAP/DirectLoan/student.html>) for information about Federal Direct Stafford and PLUS loans. It is suggested that you stay in close contact with your school's Financial Aid Office to apply and monitor application status.

Consolidation Loans: You may have the opportunity to consolidate your existing loans through the Federal Direct Loan Consolidation Program. To view consolidation loan detail, visit the Department of Education [Consolidation Loan website](http://www.loanconsolidation.ed.gov/) (<http://www.loanconsolidation.ed.gov/>).

Direct Lending Borrower Aids: Although our credit union will no longer be funding federal student loans, we would like to continue assisting you in whatever way we can.

Below are resources to assist you through the Direct Loan process.
